

## **Board Policy No. 25 Disadvantaged Business Enterprise (DBE) Policy**

### Summary

This policy is to ensure Disadvantaged Business Enterprises (DBE) have an equal opportunity to receive and participate in North County Transit District (NCTD, District) contracts.

### Policy

NCTD is committed to ensuring that DBEs, as defined in 49 Code of Federal Regulations (CFR) Part 26, have an equal opportunity to receive and participate in Department of Transportation (DOT) assisted contracts. NCTD does not exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by this part on the basis of race, color, sex, or national origin. In administering the DBE program, NCTD will not, directly or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the DBE program with respect to individuals of a particular race, color, sex, or national origin. It is NCTD's policy:

1. To ensure nondiscrimination in the award and administration of DOT-assisted contracts;
2. To create a level playing field on which DBEs can compete fairly for DOT-assisted contracts;
3. To ensure that the DBE Program is narrowly tailored in accordance with applicable law;
4. To ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are permitted to participate as DBEs;
5. To help remove barriers to the participation of DBEs in DOT-assisted contracts;
6. To promote the use of DBEs in all types of federally-assisted contracts and procurement activities conducted by recipients;
7. To assist the development of firms that can compete successfully in the marketplace outside the DBE program; and
8. To provide appropriate flexibility to recipients of Federal financial assistance in establishing and providing opportunities for DBEs.

To ensure adherence to this policy, the NCTD Board of Directors (Board), who are ultimately responsible for establishing the District's policy, has assigned the coordination of the DBE Program to the Executive Director. The Executive Director has delegated the responsibilities of DBE Liaison Officer to the Civil Rights Officer (CRO). The CRO has direct, independent access to the Executive Director concerning DBE program matters. Implementation of the DBE program, which includes the annual submission of the overall goals, is accorded the same priority as compliance with all other legal obligations incurred by NCTD in its financial assistance agreements with DOT.
